Welcome TO CONGRESS 2020

You will find all the innovative expertise, ideas, products, peers and professional development to make your profits soar. Much more than a marketplace, Congress hosts a rich Conference that imparts a wealth of knowledge to enhance your business aptitude.

Don't forget the special events throughout, like the Awards of Excellence Ceremony or the new Congress After Dark party. And remember to check out our twice-daily LIVE show floor demos.

Everything, from the vendors on the trade show floor to the Awards of Excellence ceremony, is designed to connect you to products and people, in an environment geared to your personal and professional success.

Congress thanks our partners for their generous support.

CONGRESS 2020

CONFERENCE INFO

REGISTRATION INFORMATION

Attendees must wear badges at all times while on the trade show floor and for access to Tail-gate Party. Receipts are printed on the badge stub; retain for your records.

LOCATION

Toronto Congress Centre
650 Dixon Rd, Toronto, ON, Canada M9W 1J1

Easy access to Pearson International Airport and major highways — free parking — all amenities including hotels, restaurants, and convenient facilities for sports, casino, entertainment, and shopping.

SHOW PRODUCERS

Landscape Ontario Horticultural Trades Association is one of the most vibrant associations of its kind, comprised of over 2,500 members, ten sector groups and nine local chapters. Its trade mission is to promote the horticulture industry in Ontario, and its public mission is to promote the joys and benefits of green spaces.

HORTICULTURAL TRADES ASSOCIATION
landscapeontario.com
 *Green for Life!*

The Canadian Fence Industry Association is a non-profit organization representing contractors, retailers, agents, wholesalers and manufacturers of fence products and services.

FREE Parking Conveniently located directly east and west of the exhibit halls.

First Aid – Hall D First Aid responders, certified on an annual basis, ensure prompt emergency response.

Courtyard Café, Sketch Wide selection of meals prepared on the premises for your dining enjoyment.

Security – Hall D Specialized security guards, trained in dealing with the public, handle emergency procedures, losses, crowd control and crisis management.

Shuttle Buses Shuttle service courtesy of Ban-as Stones is provided daily from all hotels to the Toronto Congress Centre.

Gro-Max[®]

**Booth
1428**

PREMIUM GARDEN SOIL

Container gardens and raised beds take many forms and require a light-weight, porous soil. Fortunately Gro-Max[®] provides the right balance in a complete soil blend that will endure. Nearly all the ingredients in Gro-Max[®] are composted – a process that kills weed seeds but generates a wide spectrum of microbes for soil health. Gro-Max[®] follows a single recipe and is a consistent product in bulk depots across Ontario.

GREAT DRAINAGE

results in **REQUIRED AIR
POROSITY** for plant roots

HIGH ORGANIC MATTER

formulated for **OPTIMUM
PLANT HEALTH**

RESISTS COMPACTION

to preserve
ROOT ECOLOGY

CHANGING THE LANDSCAPE

Introducing a truly unique machine with endless possibilities.

The new JCB Teleskid is the first and only skid steer and compact track loader with a telescopic boom, making it the most versatile machine you've ever seen. It can lift higher, reach further and dig deeper than any other skid steer on the market and can access areas you wouldn't have thought possible, until now.

FEATURE PRODUCTS AT CONGRESS 2020

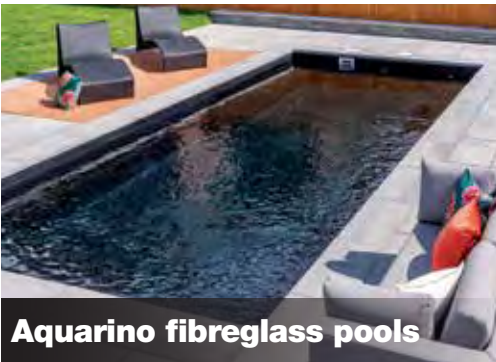

Snowrator with exact path

The BOSS Snowrator® is a patented, right-size solution to make quick work of snow- and ice-covered sidewalks, and reduces the need for shovelers, maximizing productivity and efficiency. The EXACT PATH® 1.5 Cubic Foot drop spreader was designed exclusively for the Snowrator to distribute salt at the optimum width while reducing contact with the plow attachment system and minimizing damage to turf.

www.bossplow.com

Visit the BOSS booth at #1708
to check it out!

Aquarino fibreglass pools

The Rinox Group has launched a new division! Aquarino inground fiberglass pools are resistant and easy to maintain. We stand by our above-average manufacturing standards, offering modern and rectangular pool models in a variety of different colors. Aquarino pools were created to match perfectly with Rinox concrete products.

Telescopic boom skid steer

The JCB Teleskid is the world's only skid steer and compact track loader with a telescopic boom, allowing you to reach further, lift higher and dig deeper than ever before. Stack pallets and bales higher; unload both sides of a flatbed; fill a high-sided truck without a ramp; place a load over a fence ... now you can with the JCB Teleskid. And with side-door entry, JCB skid steers are the safest on the market.

www.jcb.com/teleskid

See this new product at
booth #1878

Stand-on lawn mower

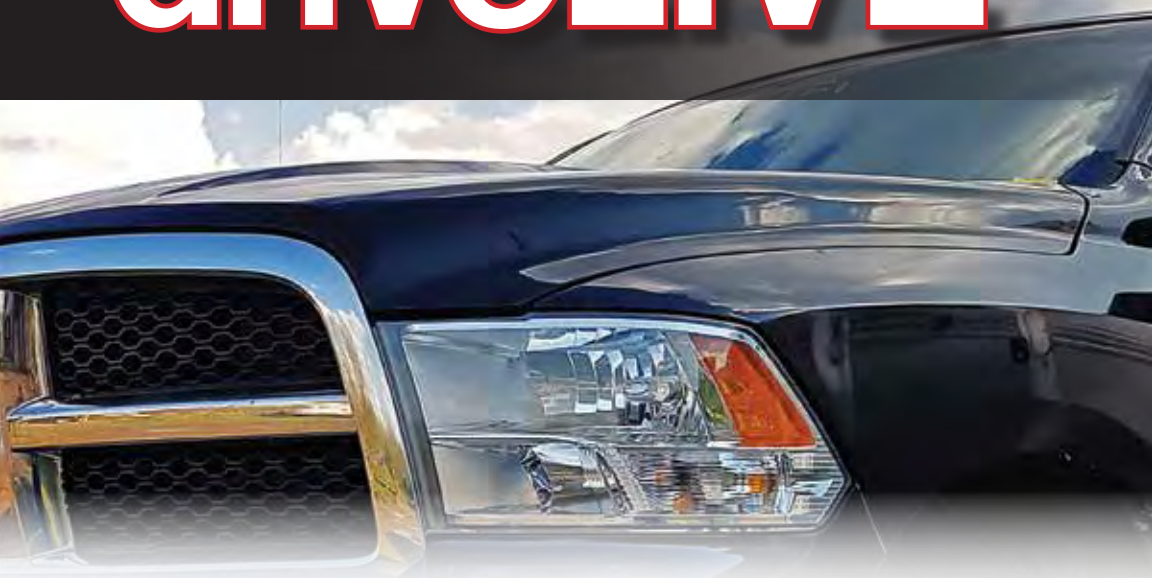

Gravely® introduces the newest generation of Pro-Stance® stand-on commercial lawn mowers. The most notable design change of Pro-Stance repositions the operator three inches closer to the machine's center. This lowers the machine's center of gravity and improves handling, providing superior hill-holding ability and confidence when operating in a variety of landscapes. With a weight redistribution around its single-piece, welded tubular frame rail, the new Pro-Stance is lighter and shorter for easier trailering between job sites.

www.gravely.com

Visit booth at #618 for details

driveLIVE

HAVE TRUCK, MUST TRAVEL, SAFELY!

Landscape Professionals rely on their vehicles and trailers to transport employees and equipment safely to job sites.

The Province of Ontario also takes road safety seriously and employs various methods to ensure we all abide by the 'Rules of the Road' to minimize risk and prevent accidents.

The Safe Vehicle Refresher Demo will see OPP and Toronto Police officers take a hands-on approach with how to apply the Daily Vehicle Inspection Rules, pre-trip inspection reports and itemize defects in compliance with Ontario regulations.

Learn how to conduct a proper circle inspection, the proper forms to use, the difference between minor and major defects and how safe operation helps avoid hefty tickets and fines.

LIVE DEMOS!

3 days 2 demos each day 1 event not to be missed! FREE with your badge!

Green LIVE, located in Hall C, is a FREE educational area open to all, focusing on promoting proper tree selection, planting, care and maintenance strategies and services.

It features information sessions and demos from leading industry experts. Learn more about this important product category and what industry professionals can offer consumers when contracting for landscape services. Sessions are eligible for ISA CEUs.

Nick Winkelmolen

TUESDAY 11:30 a.m.
SELECTING QUALITY NURSERY STOCK

Demo by
NICK WINKELMOLEN,
Winkelmolen Nursery

Darby McGrath

WEDNESDAY 11:30 a.m.
SITE CONDITIONS AND SOIL PREPARATION FOR TREE PLANTING

Demo by **DARBY McGRATH**,
Ph.D.,
Vineland Research and
Innovation Centre

Paul deGroot

TUESDAY 1:30 p.m.
HANDLING AND TRANSPORTING NURSERY STOCK

Demo by **PAUL DEGROOT**
and **REBECCA PARKER**,
NVK Holdings Inc.

Glen Lumis

WEDNESDAY 1:30 p.m.
TREE PLANTING AND ROCKET SCIENCE
Demo by **GLEN LUMIS**, Ph.D.,
University of Guelph

Rebecca Parker

Ian Bruce

THURSDAY
11:30 a.m. and 1:30 p.m.
The Ontario Tree Planting Guide

Demo by **IAN BRUCE**, NPD, ISA
Certified Arborist,
Bruce Tree Expert Company Ltd.

 **HARDSCAPE COMMITTEE**

Featuring **FRANK BOURQUE**, CCPI, ARPT
Business consultant, speaker, coach, ICPI
and NCMA instructor

TUESDAY 10:30 a.m.

Proper Takeoffs, VR Designs and Layouts

All about proper job planning, selling more hardscape and on-site installation efficiencies. See what's new and worth knowing when it comes to hardscape tools. Frank will demo easier takeoffs, showing the best technology for designs, visualization and job layouts.

TUESDAY 2:30 p.m.

How To Significantly Increase Paver and Slab Installation Efficiency

In this session, we explore dense-graded bases and open-graded base installation, and the new tools you can use to dramatically increase your base installation, screeding, paver and slab installation efficiency.

WEDNESDAY 10:30 a.m.

New Technology for Retaining Wall and Raised Patio Installations

In this session, we take a look at the most efficient methods and tools to help you build different types of retaining walls, including segmental, big block and tandem walls.

WEDNESDAY 2:30 p.m.

Integrating Water Features, Rainwater Harvesting Systems and Permeable Pavements

We will discuss features and highlights of permeable interlocking concrete pavement (PICP) systems. Learn ways to save on installation costs, materials and time.

THURSDAY 10:30 a.m.

Outdoor Kitchens and Technology for Rapid Installations

See several ways to significantly reduce build time on outdoor kitchens, plus new technology to help you install more efficiently and profitably.

THURSDAY 2:30 p.m.

Hardscapes and System Automation:

Outdoor Sound, Lighting and Fire Features

Discover how to make every backyard complete with sound, lighting and fire feature automation systems. Learn how to make it easy for clients to operate and control all the features from a phone or tablet.

GROUNDS MANAGEMENT LECTURE SERIES

February 20, 2020

LANDSCAPE ONTARIO HOME OFFICE
7856 Fifth Line S., Milton, ON L9T 2X8

Join your peers
for education,
networking and lunch!
LandscapeLecture.ca

we welcome **STUDENTS**

Skilled trades are the backbone of the landscaping industry, and attracting new workers is top of mind! We have partnered with several Ontario post-secondary schools to present the Canada Blooms Campus: Student-Built Feature Gardens.

The feature area will consist of feature gardens demonstrating the creativity, collaboration and integration of talent from the professors, students and suppliers responsible for the design, construction and dismantling. Business owners looking for young skilled workers will find them at the show.

50+ reasons *why*

our members belong
to **Landscape Ontario**

join us!

Our commitment:
Cost-savings benefits,
training, networking
and advice to help grow
your business!
