

GROW

Get Ready for Opportunities at Work

Launch & Grow Your Outdoor Career

Build in-demand skills in landscape and horticulture.

In this 6 week program you will:

- Learn about workplace health and safety.
- Learn about lawn and plant maintenance tools, equipment and installation practices.
- Be introduced to landscape construction.
- Acquire tricks of the trade.
- Meet industry professionals.
- Land a job and start working.
- Accelerate your career through ongoing training, career development and apprenticeship opportunities.

What you can expect:

- 6 week training (incl. a 2 week on the job placement/shadowing).
- Eligible candidates must be willing to work 40 hours weekly and have an interest in working outside and in nature!
- Graduates of the program will be placed in entry level positions, based on skills and interests in the Landscape and Horticulture profession in sectors such as:
 - Landscape Maintenance
 - Garden Centre
 - Landscape Construction
 - Parks & Recreation
- Starting wages between \$15-18/hr.
- This training is funded in part by the Government of Canada and the Government of Ontario with no costs charged to participants.

Participating in the GROW Program is just the beginning!

There are many career opportunities in the Landscape and Horticulture profession including:

- Grounds maintenance
- Softscape/Hardscape installer
- Stone masonry/carpentry
- Electrician
- Marketing and retail
- Landscape Designer
- Supervisor, Foreperson
- Company Owner
