## Landscape Ontario's Golf Committee invites you to the Nottawasaga Inn

To mark the 35th anniversary of the Landscape Ontario Charity Golf Tournament, we have a special celebration tournament planned for 2003.

It's a culmination of the Landscape Ontario Dick Sale Memorial Charity Golf Tournament, the Toronto Chapter Tournament, and the Georgian Lakelands Chapter L.L. Solty Memorial Tournament.

This year's special event will span two days at the scenic Nottawasaga Inn in Alliston, ON.

In addition to golf and dinner, we've added evening entertainment and a power breakfast the following morning to make this a two-day event.

We encourage you to stay for the weekend and bring your family to enjoy the many activities and services the facility has to offer.

As with any LO Tournament, we will hold a large number of contests on various holes, raffles, as well as award trophies to the top golfers.

We ask for your support for hole sponsorships, prizes and trophies, with a portion of the proceeds going to the Hospital for Sick Children Foundation, scholarship fund and community projects advancing horticulture.

We thank you for your participation this year, and promise a spectacular event for everyone.
