

2004 Snow Symposium

Wednesday, September 22, 2004

At Landscape Ontario, Milton, ON

(9:00 a.m. to 4:00 p.m. Lunch included)

Snow removal is a profession that is extremely profitable, but demands a lot of your time. Come hear what one successful, 35-year veteran of the business has to say about snow business problems, proper planning, proper costing, pricing, contract considerations, and some of the newest innovations to make your job easier.

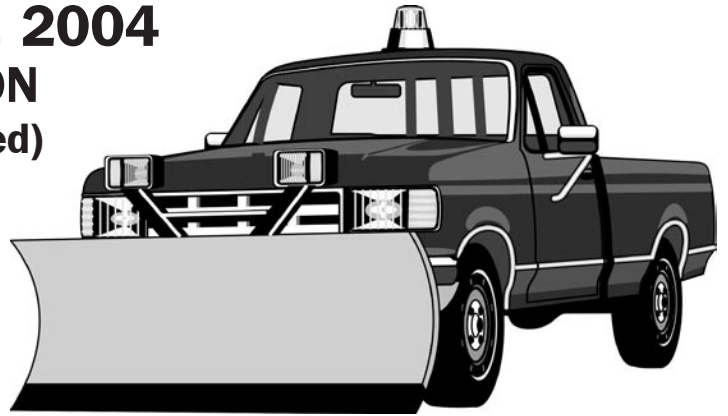

The day will also feature a presentation by a representative from Monroe Snow & Ice Control.
