The Gardens of Distinction Tour

July 11, 2009 from 9-5

Featuring 12+ gardens in and around the London area, which have been designed and installed by professional members of Landscape Ontario who will be showcasing client gardens they have created. Enjoy a walk through these gardens of distinction and talk to the professionals who will bring your garden oasis to life and will think beyond traditional garden ideas with their creativity and planning.

Brought to you by The Landscape Ontario London Chapter in association with the Canadian Diabetes Association and Banting House National Historic Site of Canada. All proceeds will go to the Banting House National Historic Site of Canada Global Garden and the LO London Chapter.
